The librarian and trustees wish to thank those who have given books and magazines to the library during the past year, especially Mr. and Mrs. Theodore C. Vachon for the set of Encyclopedia Americana, 1942 edition, and C. Douglas McIntyre for the two theses on the History of Whitefield, written by himself, one of which is for circulation.

We have a considerable number of books in circulation which are not accessions, which have been given to us.

The Bookmobile will not be able to make its regular trips this year due to the gas rationing, but will probably make four or five trips which I feel will be much appreciated by everyone.

The library has borrowed books from the State Library and other libraries for our patrons this year.

Librarian.
